Dark purple in the glass, a deep nose of raspberry, fig, blackberry and brambles greets you and compels your attention. Youthful and currently happiest with some aeration, this wine effortlessly blends Napa Valley Petite Sirah, warm climate Grenache and cool climate Syrah to create an elegant yet hearty wine well suited to BBQ, grilled meats, and your favorite red sauce. Drink now through late 2014, or cellar it for a year or so longer and you should be pleasantly surprised!
