

SARAPO
FAMILY WINES

2010 ELENA
NAPA VALLEY

Cabernet Sauvignon

Exhibiting a deep red hue, black at its core, with scents of ripe berry with tobacco undertones. The palate, concentrated yet light on its feet, mingles a hint of olive with bright currant flavors and rich spices that linger on the finish and cry out for lamb chops, steak, or stuffed Portobello mushrooms. Made predominantly from the Oak Knoll region of Napa then blended with fruit from Calistoga, this wine strikes a balance between fruit, structure and the expression of true Cabernet.
